this book is a demonstration of the richness worth and vitality of australian documentary record at the same time it is an introduction to collecting australianiana for those who if not already bitten by the book bug have been dangerously exposed to it readers who are immune to the attractions of collecting but who value our past and its books will also find something to interest them in the following pages

this groundbreaking collection provides students with a timely and accessible overview of current trends within contemporary popular fiction

the essays in this book explore the vital role translation has played in defining changing and redefining linguistic cultural ethnic and political identities in several nations of the south pacific

while in other parts of the world postcolonial scholars have scrutinized the role and history of translation and exposed its close relationship with the colonizers this has not yet happened in the specific region covered in this collection in translation studies the pacific region is terra incognita the writers of this volume of essays reveal that in the pacific as in all other once colonized parts of the world colonialism and translation went hand in hand the unsettling power of translation is described as it effected change for better or for worse while the pacific islanders encounter with the europeans has previously been described as having a fatal impact the authors of these essays are further able to demonstrate that the pacific islanders were not only victims but also played an active role in the cross cultural events they were party to and in shaping their own destinies examples of the role of translation in effecting change for better or for worse abound in the history of the nations of the pacific these stories are told here in order to bring this region into the mainstream scholarly attention of postcolonial and translation studies

this is a literary discussion of one half of zane grey s westerns selected to best show the broad scope of this popular author s interests in the west the text explains how these novels work while pointing out grey s ecological concern for the natural world its vastness color and beauty wild nature provides a powerful setting but is a determinant of action and of character too the range of subjects encompasses not only cowboys but also prospectors foresters and other frontiersmen from the end of the revolutionary war to the flapper era of the 1920s world war i veterans including an american indian are portrayed in several books and women are colorful main protagonists in others all uniquely characterized grey s sure ear for dialogue is key to his vivid presentation of the ideals of the old west
