the bestselling author of the tao of pooh offers a uniquely authentic translation of the enduring tao te ching based on the meanings of the ancient chinese characters in use when the taoist classic was written from benjamin hoff author of the tao of pooh and the te of piglet which have sold millions of copies worldwide comes the eternal tao te ching a new translation of the chinese philosophical classic the tao te ching the eternal tao te ching is the first translation to employ the meanings of the pre writing brush characters in use 2 400 years ago when the classic was written rather than relying on the often different meanings of the more modern brush characters as other translations have done hoff points out in his chapter notes the many incidents of meddling and muddling that have been made over the centuries by scholars and copyists and he corrects the mistakes and removes such tampering from the text hoff also makes the provocative claim and demonstrates by revealing clues in the text that the tao te ching s author was a young nobleman hiding his identity rather than the long alleged author the old master of legend lao tzu and hoff s chapter

notes shed new light on the author's surprisingly modern viewpoint with a selection of lyrical color landscape photographs by the author this is a unique and uniquely accessible presentation of the tao te ching

christ the eternal tao shows lao tzu's tao te ching as a foreshadowing of what would be revealed by christ and lao tzu himself as a far eastern prophet of the incarnate god back cover

this book articulates a contextual pneumatology from a perspective of the eastern idea of ch i ki in korean rather than understanding the spirit from a westernized philosophical perspective this book utilizes east asian categories rooted in the i ching and asian religions in dialogue with such prominent western theologians as barth pannenbergt moltmann and harvey cox the result is an exciting interaction between the bible traditions of the west and experiences of the spirit rooted in east asia yun argues that the formal dimension of the spirit sangjeok is present and active in all cultures and religions while the material dimension of the spirit muljeok is categorically revealed and embodied through the life of jesus christ the event of pentecost and charisms given to the church in making his case he mediates a creative balance between countercultural and exclusivist models on the one hand and pluralistic and anthropocentric models on the other

this inspiriting book is a total rebellion against the intellect it smashes our well worn views and all of our fond illusions zen master zensho shows how we can free ourselves of the slavery of autonomous compulsive thinking and how we can experience the enlightened state of pure consciousness uncompromisingly everything is swept away so we become able to reach that boundless freedom of the mind which lies beyond everything that sense and reason can comprehend zensho s humorous geniality and his free unconventional way of conveyance bestow a tremendous vitality on his talks his clear words are a vivid and direct revelation of the great simplicity and freedom of zen an exceptional book by an exceptional zen master

in the light of chinese prosody and various mutually illuminating major cases from the original english chinese french japanese and german classical literary texts the book explores the possibility of discovering a road not taken within the road well trodden in literature in an approach of what wittgenstein calls criss crossing this monographic study the first ever of this nature as roger t ames points out in the foreword also emphasizes a pivotal recognition that these chinese values revealed in the book are immediately relevant to the western narrative as well the book demonstrates in other words how such a criss crossing approach would be unequivocally possible as long as our critical attention be adequately turned to or pivoted upon the trivial matters a posteriori in accordance with the live syntactic prosodic context such as pauses stresses phonemes function words or the at once text enlivened and text enlivening ambiguity of parts of speech which often vary or alter simultaneously according to and against any definitive definition or set category a priori this issue pertains to any literary text across cultures because no literary text would ever be possible if it were not for instance literally enlivened by the otherwise overlooked meaningless function words or phonemes the texts

simultaneously also enliven these meaningless elements and often turn them surreptitiously into sometimes serendipitously meaningful and beautiful sea change effecting les mots justes through the immeasurable and yet often imperceptible influences of these exactly right words our literary texts such as a poem could thus not simply be but subtly mean as if by mere means of its simple rich and naturally worded being truly a special word picture of dashing an sich describable metaphorically as museum effect and symphonic tapestry a special synaesthetic impact could also likely result from such les mots justes facilitated subtle and yet phenomenal sea changes in the texts

in the sayings of lao tzu readers encounter a distillation of the profound taoist philosophy with aphorisms that elucidate the enigmatic concept of the tao or the way the work is marked by its brevity and depth inviting reflection on the natural order and the path of virtue as conceived by one of the ancient world s greatest thinkers lao tzu s terse yet powerful verses deftly blend poetry with philosophy echoing the broader literary style of the tao te ching and its focus on simplicity spontaneity and the relinquishment of desire the text offers an essential understanding of taoist thought and its place within the wider tapestry of chinese intellectual history lao tzu regarded as a historical figure and mystic sage is said to have written this collection in the 6th century bce his influence extends beyond philosophy shaping literature art and statecraft emanating from his purported role in the imperial archives the insights captured in the sayings of lao tzu reverberate with the wisdom of his broader lifework suggesting a lifetime of contemplating the ineffable nature of existence and the virtue of nonaction these insights may be reflective of the era s tumult seeking to offer a counterbalance through inner peace and harmony the sayings of lao tzu is an invitation to scholars and seekers alike to explore the serene and contemplative world of taoist wisdom the book is not merely a scholarly examination but an experiential guide to living with a deeper alignment to the cosmos for those interested in the vast universe of chinese philosophy or for individuals simply seeking a tranquil oasis amidst the relentless currents of modern life this work offers timeless guidance and an enduring philosophical legacy it is recommended for those who appreciate the intersection of philosophy religion and the poetic resonance of ancient truths
